## My Chinese Teacher Stage 2 2018

Dear Parent/Caregiver,

We are excited to announce that the My Chinese Teacher program will be expanded at Cambridge Gardens PS in the 2018 school year. This time, Stage 2 will be offered a chance to participate in the program led by Mrs Dyball.

My Chinese Teacher is an interactive learning experience in which students learn the Chinese language and culture through instruction from a teacher based in Beijing. The teacher will present the students with a Chinese lesson once a week via videoconference. The students will get to apply their new knowledge through exciting interactive games, activities and songs and practice tasks following the video session.

**Our school is so excited about this project that it is subsidising the cost of participating by 50%!**

### Program Details:

What: Interactive Chinese Lessons and activities

Who: My Chinese Teacher

When: Weekly (Beginning in week 6)

Cost: \$50 (This is just over \$1 a week!)

Students will benefit greatly from these interactive workshops and activities about Chinese language and culture. If you would like your child to participate in the program, please return the permission slip attached with \$50 **by Friday 16th February**. (Payment to the office or electronically) Online payment can be made through Parent Online Payment which is accessible on our school website.

This is a great opportunity for students to broaden their understanding of different places and cultures. Please note that there are only 30 placements in this program and it will be on a first in first served basis. Please note that students in Denominator class not participating will work in another Stage 2 class during lesson time.
