Principal's Report

THANKSGIVING

How important it is that we show our gratitude and thanks to all our community who find many and different ways to help and support us in bringing about the best for our students. We thank everyone for their efforts and support and know that everyone finds different ways to support our efforts. Whether it be working with your child on homework, driving students to the train station, sending in the gold coin for the snail trail, covering our literacy resources, working in classrooms or simply sharing a smile with our wonderful staff it is all appreciated. We hope that those that did come along, enjoyed the morning tea and our special assembly. It is so important that our students learn the importance of being thankful and appreciating the fantastic things in their life. It was great for our teachers to present to you their song of thanks. A big thank you to Mrs Wright for her organisational leadership for this activity but thanks most of all to our teachers and parents who took the time to connect and participate in this important activity.

POSITIVE BEHAVIOUR FOR LEARNING

How amazing do our new signs look! A huge thank you to Mrs Alo for all her work and creativity in designing and planning these beautiful signs. We are very happy with these. It is so important that our expectations are clear to our students and that as a school we use common language when talking about behaviour. Mrs Alo is now working on our next set of signs for our other playground areas.

STAFFING NEWS

Two pieces of exciting news for our school. A big congratulations to Mrs Wendy Wright, the wonderful teacher of Width class who was successful through merit selection in gaining a full time permanent classroom teacher position at our school. We are very happy to have Mrs Wright join our team permanently and congratulate her on her success. Also the amazing Mrs Melissa Galdes has been appointed permanently

to the School Administrative Office position fulltime. We have been so fortunate to have Mrs Galdes working in our office for the past two years and are very happy that she has been appointed into that position.

KINDERGARTEN 2019

We are very excited to have completed our Kindergarten Orientation activities for 2019 with our very successful Teddy Bear's Picnic! Although the weather wasn't kind, the fun and enthusiasm that we shared in our time in the hall was fantastic. I am still conducting some Kindergarten interviews for those that have not yet come in for our one on one meeting. If you don't have a time organised please contact the front office as soon as possible. We have still been receiving enrolments and currently have 70 fantastic first timers coming to join us. I will be forming the classes this week so please ensure if you haven't, or if you know someone that hasn't brought in their enrolment forms as yet that they come in asap. Once we have formed the classes, we will be assigning Best Start assessment times and these will be posted out to Kindergarten 2019 Parents before the end of the year. If you don't receive this information, on Tuesday December 18, please contact the school.

PRINCIPAL'S ASSEMBLY

What a delight it was to celebrate with our school community the 70 award recipients at our Week 5 Principal's Assembly. It is a joy to see the pride with which our students and their families regard these awards! Well done to all those recipients for their excellence in attitude, behaviour or participation. It is much appreciated and we as a school are incredibly proud of what you are achieving. Please remember that our final Principal Assembly will be on Friday December 14. If your child has received the required number of awards, their booklet must be submitted to the front office by Friday December 7. As you can imagine at this busy time no late submissions will be able to be processed and will be presented at our first Principal's Assembly in 2019.

SCHOOL SPECTACULAR

How spectacular and special was the School Spectacular. What a performance! What an opportunity for our talented

students. This is truly a group effort to make this possible for our children. Thanks to Mrs Antonelli for her choir leadership and expertise. Thanks to Miss Fry for her dance expertise and leadership. Thanks to the wonderful back team of Mrs Ptolemy, Mrs Patrick and Miss Antonelli. We appreciate the long hours and huge effort that you all have put in for our school and our students. A big shout out to our wonderful parents for transporting and dealing with changing schedules supporting each other, our staff and our school. Most of all thank you to our Ensemble Dance group and our School Choir for their amazing performance, their diligent practice as well as the pleasure it was for our staff to work and be with them for these long hours. The dinner at the pizza restaurant clearly evidenced their great attitude, their wonderful behaviour and their joy of taking part in such a special event.

P&C MEETING

Tonight is our P&C AGM and final meeting of the year in the staffroom at 7pm. I hope you can come along and celebrate and thank the 2018 P&C Executive for their wonderful and amazing efforts. Their efficiency, hard work and commitment has been much appreciated and they have achieved so much for our school in 2018. Tonight there will also be a presentation of an alternative fan option that is being considered for our hall. Your input on this would be greatly appreciated. Look forward to seeing everyone there.

LEADER'S 2019 SPEECHES

All parents are welcome to come along on Monday December 10 to see our prospective leaders present their speeches for leadership positions in 2019. It is always a great opportunity to see our Year 5 students projecting into those leadership roles and hearing what they see as the important elements of the role. Good luck to our students who are putting themselves forward to be considered for the role. Well done and do your best!

SCRIPTURE

This week is the last week of scripture for 2018. The Department of Education has recently reviewed its processes around scripture and how parents elect in or out of scripture lessons. From the commencement of 2019 there is a standard participation letter that the school will need signed and will be placed on the student record card that will indicate your choice around the options at our school. This will override any previous nominations or what was previously communicated on the enrolment forms. This note will be emailed to you today and we ask that these are returned to the front office as soon as possible so that we can update our records before the formation of scripture and non-scripture groupings at the commencement of 2019. At any time as a parent you are able to change the advice and this will be updated on school records.

Adam Wynn
Principal

Current Notes

Please follow the links to all current notes and please note their closing date. Please ensure you put your child's full name and class on all notes.

Penrith Valley Public Speaking Competition

On Wednesday 7th of November, 6 students from stage 2 and 3 participated in the Penrith Valley Public Speaking Competition finals. They all did an amazing job and presented their speeches with confidence and pride. Our year 3 representative, Tyran Kavaliku spoke with passion and enthusiasm, making it through to the Grand Finals. Tyran will be representing our school on the 19th of November at Glenmore Park Public School in the Grand Final. Well done to all our public speakers and we wish Tyran the best of luck in the finals.

Penrith Valley Public Speaking Grand Final Competition

On Monday the 19th of November, Tyran Kavaliku proudly represented our school in the Penrith Valley Public Speaking Competition Grand Final. He did an outstanding job confidently speaking about 'Pollution'. Tyran was the winner in the Grand Final competition, competing against schools in the Penrith region. Well done Tyran!

TEDDY BEARS PICNIC

We recently held one of our most popular Kindergarten Orientation events, the Teddy Bears' Picnic. Despite the rain, we had lots of bears (and their owners) come to our school hall to participate in the fun. This was an opportunity for the incoming Kindergarten students for 2019 to meet with our current Kindergarten students, and also to meet their buddies

for next year. It was also terrific to see our parents meeting and chatting about their experiences at Cambridge Gardens.

We all had lots of fun in the playdough, colouring and reading corners as well as some great dancing – Miss Fry could have another fabulous dance group in mind already! Thank you to the wonderful Kindergarten teachers who led the different activities and to all of the other teachers who came along to help arrange the quick change of venue, and enjoy the fun.

Alison Patrick
Assistant Principal Wellbeing

Talent Show 2018

The annual Talent Show will be held on Friday 14th December. The show is expected to begin at 11.20am, following the Principal's assembly and morning tea. It is going to be a fantastic display of various talented students within our school. Can't wait to see all the wonderful talent!

Mrs Felicity Nelson

**Cambridge Gardens
Christmas Food &
Gift Drive 2018**

Share your Cambridge Gardens Christmas Spirit with those in need!
MONDAY 12TH NOVEMBER to FRIDAY 7TH DECEMBER

What to donate:

<u>Non-Perishable Food Items</u>	<u>Gifts</u>
<ul style="list-style-type: none"> ▪ Pasta spirals ▪ Pasta penne ▪ Tinned tomato ▪ Pasta sauces (any flavours) ▪ Minced garlic granules ▪ Drinks 	<ul style="list-style-type: none"> ▪ Cling wrap or sandwich bags ▪ Nutella ▪ Honey ▪ Jam ▪ Vegemite
	<ul style="list-style-type: none"> ▪ New books ▪ Sports balls or sports equipment ▪ Family board/card games ▪ Perfume/Cologne ▪ Toys (water toys, cuddly toys, toy tools)

Drop off items: Your classroom teacher or front office

Food collected will be donated to *Mama Lane's Community Foundation*. Mama Lane's Community Foundation provides meals to the homeless or at risk of homelessness in our local community. They also provide a lunch program to some less fortunate children in the community. Mama Lane's will be hosting a Christmas Day lunch.

Thank you for giving
Mrs Wendy Wright
Christmas Food Drive Coordinator

Kindergarten Parent Helper Thank You

We would like to thank our wonderful Kindergarten parents and grandparents who have dedicated their time throughout the

year to support and encourage our students in their first year at school. Students enjoyed having parents and grandparents read with them, help them write their ideas and run a speaking and listening activity. The teachers were very grateful for the time, energy and support given by our wonderful volunteers. We also enjoyed the time spent covering resources over a cup of tea. Thank you again for all your efforts and we hope you have a lovely break and Christmas. We look forward to seeing you again next year.

2018 Kindergarten Teachers

**Cambridge Gardens Public School

Come and see our Christmas Trees and our wonderful colouring in competition!

Christmas Carols presented by each class!

Schools Spectacular 2018 - The Greatest

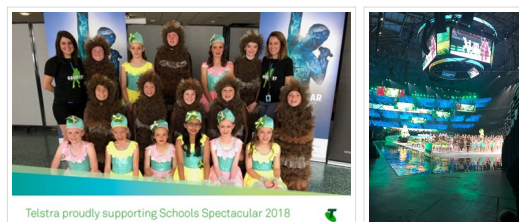

Wow! What an outstanding week of excellence in the creative and performing arts for NSW Public Schools!

Well done to our students as they were truly spectacular when performing and well done to all our staff who attended and contributed in preparing our students for the performances. A special thank you and mention to Miss Fry and Mrs Antonelli who auditioned our students in dance and choir. The journey would not have come about without their commitment and enthusiasm in giving our students an opportunity to shine!

A huge congratulations to our community! We are always fortunate to have supportive and enthusiastic parents at Cambridge Gardens Public School. The work behind the scenes in preparing students for Schools Spectacular is an enormous one and we are very appreciative and grateful of the that time, energy and support across the board. The week would not have been so successful without your efforts and contributions!

Finally, the show will be broadcast on Channel 7 on December 8th 2018. The exact time has yet to be announced but it will be during prime time!

Mrs Ptolemy

Student feedback

On Thursday we got on the train and went to Qudos Bank Arena to have a practice and run through of all the songs and acts. On Friday we got on the train for the last time. We had to

be seated by 10:30am for the first show of the day. The Choir and I only got a half hour break.

My favourite performance was the circus act which had silk ropes in a Gladiator theme. The students were dancing inside a suspended box that was spinning. My most favourite part of Schools Spectacular was the pizza dinner. We ate ice-cream for dessert!

I loved that I could take home my prop bag at the end of the performance so that I could keep for memories.

By Georgia Kitchen

Before I start saying what I loved about Schools Spectacular I would like to say a huge thank you to Miss Fry for getting us into Schools Spectacular. I would like to thank her for taking us on the trains and for taking us to Maccas before and after the rehearsals too. Thank you for everything that you have done for us Miss Fry!

Schools Spectacular was AMAZING! There were so many people there to make new friends, like a kid called Noah from Elderly PS. We used to call each other by nicknames which made it special. We also made a friend from Hoxton Park PS called Diego.

Learning the dance was great. My dance was so cute but when it comes to the costume it was ugly! I was a Banksia Man in the segment Stories. Banksia Men are in the Story of Snuggle Pot and Cuddle Pie. I kept saying to myself "It might be ugly but I will work it like Lady Gaga!"

Schools Spectacular gave me so many great moments. I loved the dancing and I just enjoyed myself! On the last night Jade, Chloe, Olivia, Ella and I cried so much because the Year 6's are finishing soon and we will miss our close friendships!

By Shay Blatch

The thing I enjoyed in Schools Spectacular is singing all the different songs. My favourite song to sing was 'Not taking Away my Shot' by Hamilton. Wednesday last week was a rehearsal but Thursday at Qudos Bank Arena was a dress rehearsal and we got to see the whole show for the first time. It was amazing!

On Friday and Saturday we had two shows each. We had a break in between both shows and on Friday we got to enjoy eating some Pizza. When Schools Spectacular performances had all finished we got to take home our prop bag which had torches, glowing gloves, bunny ears and more. We got to keep the performance shirt which was white and our black security shirt too.

Schools Spectacular was amazing for me. I had never been there before and I am so happy I had the chance to do it!

By Keisha Maskell

Schools Spectacular was really fun. There were a lot of lights and some awesome dances, drama acts, circus and tap dancing. Each act was unique. Each performance had a story behind it and basically all the performance days the seats were full with spectators. It was a great experience and one to remember.

To get into Schools Spectacular we had to audition by singing a song. We had to wait about 2 months before we found out

we were successful. There were thousands of kids in choir. We got to have a keep sake prop bag which we used during the performance. It included lights, glow gloves, necklace, Elton John glasses and more.

My favourite performance was the drama one which was sad but awesome!

By Jenna Mackie

On Wednesday, Thursday, Friday and Saturday Miss Fry and Mrs Ptolemy took the dancers to Qudos Bank Arena for the 2018 Schools Spectacular. It was my first time being part of this experience. It was the best experience that I have ever had!

There were plenty of happy moments such as the Saturday night when we were leaving and we all just started to cry. Another favourite moment was when Miss Fry and Mrs Ptolemy embarrassed themselves in front of John Foreman the host of Schools Spectacular. They were very excited to say hello to him while waiting for us to perform. Apparently Mrs Ptolemy said, 'Hi George!' John Foreman said hello back and it was not until later when Mrs Antonelli heard their exciting story that she revealed it was actually 'John not George!'

It was so good to make new friends and we played with them most of the time. My favourite friends from other schools were Lilly, Hannah, Marley and Emily. Overall, Schools Spectacular is AMAZING!

By Jade Robinson

What I loved about Schools Spectacular was that we made a lot of friends. We had a backstage room which had change rooms. We stayed in there during the performances and played music. It brought us all together and we made lots and lots of friends. It was fun!

At first we all hated our costumes but later we loved it and none of this would have happened if we did not make it into Schools Spectacular in the first place.

I remember the first day of rehearsals we did not know anyone then we took a break and met the school next to us. Our friendships grew as the rehearsals went on. When we performed we made some great memories!

By Dublin Downey

I loved every single second of Schools Spectacular. I loved all the thrill, hard work and dedication that went into Schools Spectacular. We made great trustworthy friends and met so many other cool and exciting dancers!

By Jesse Geyer

I had an amazing time at Schools Spectacular. I was in the choir and practiced songs all the time. I almost lost my voice. I still liked it though!

The theme for Schools Spectacular was the Greatest. Some of the songs were from movies such as The Greatest Showman and My Little Pony. Schools Spectacular went on for two days. Each show lasted 3 hours. My favourite song was 'This is Me' and my least favourite song was 'Zadok the Priest'.

On Saturday night I went to SpecFest during the afternoon to have dinner. I had chips on a stick. It was really good. Then I danced with my friends on the big screen!

My favourite part about Schools Spectacular is that I get to sing for the dancers and be on TV. Mostly, I had so much fun! I even get to keep my prop bag!

By Vy Bu

Schools Spectacular was a great experience. We travelled by train to all of our rehearsals at the Netball Stadium at Olympic Park. We learnt two dances at the Netball courts and we learnt one dance at Qudos Stadium.

On Wednesday was our second rehearsal at Qudos Bank Arena. We sometimes stopped at Maccas in the morning or afternoon. Thursday we had a full dress rehearsal. We got our costumes and we went through the whole show. Friday was our first performance day and we danced all our dances and then went to dinner. We ate pizza and had to walk to the restaurant with the choir students. When we got to Newington, we played at the park together.

After pizza we walked back and performed our evening show. On Saturday morning we got to Qudos Bank Arena again for our last day of performances. After we had finished, we had to say goodbye to all our new friends and we started to cry. Miss Fry and Mrs Ptolemy requested a song from the Holding Room manager and they started to dance to 'Closing Time'!

We played a lot with students from other schools. We had fun playing games we made up like 'Run around like a big, fat pony'.

By Chloe Schofield

On Friday and Saturday last week the choir and dance ensemble had 4 performance shows. There were lots of people especially on Saturday night. We had to sing nearly 35 songs and some of the combined choir got to perform on stage in the last song of the first half.

The dancers, danced to 'Partner in Crime', 'Time to be Awesome' and the finale which was 'Coming Home'. All the choir got props and they were my favourite. My favourite was the light up gloves.

The show was amazing!

By Apameh T

Presentation Day 2018 - Date for your Diaries

On Monday the 17th December 2018, our school will be hosting its annual presentation day assembly. It will be held on the top cola and all parents and community members are invited to share this special day with us. There will be special guests and some performances on the day from the PMI bucket drumming group, the Stage 2 dance group and the Kindergarten dance group. Our recorder band and choir will also be performing.

As we move closer to the event we will keep you posted on any news and important messages.

Kind regards,
May Ptolemy
Instructional Leader

HAVE YOU MET MISS MULOCK?

What is your favourite joke?

There were two muffins in the oven. One muffin said to the other muffin, "Gee it's hot in here!" The other muffin said, "ARGH!!! TALKING MUFFIN!!"

What makes you laugh?

My class make me laugh EVERY DAY!

What is your favourite song?

'Brown Eyed Girl' by Van Morrison

What was your first impression of Mr Wynn?

Very friendly and loves to have a laugh!

What was the most embarrassing thing that has happened to you at school?

Probably getting swooped by plovers last year at sport. (They only went for me!!)

What's your least favourite food?

Anchovies

What's your pet peeve?

Swinging on chairs!!

Would you rather soccer or football?

Football

What is your least favourite insect?

Spider!!!

Your favourite teacher besides yourself?

Mr Attard

What was your favourite subject when you were in school?

English

What's your favourite flavoured chocolate and ice-cream?

Cookie dough... YUM!

Would you rather watch Peppa Pig or Dora the Explorer?

Hmmm... I guess I would pick Dora!

What is your favourite word?

HAPPY!

The Importance of Play

Mrs Patrick and I attended a Learning and Support Network meeting last week where we presented on Learning Support in our school. We discussed all the programs that we run like Quicksmart - Numeracy, MiniLit and MacqLit - Literacy programs, our Interventions where we work with the teachers as a whole class and with individual groups and then one on one support. We also discussed our very successful Active Play at recess and lunch times. It is always an honour to be asked to present as it gives us the opportunity to show off our wonderful school. We also attended a session on Play and its importance for our children.

Play is needed for children's healthy development. It is their time to be free and enjoy. It can be pretending, learning a new skill, dressing up, role playing, being active or quiet, with friends, siblings, parents or on their own. It's when children can make the rules and it is a way of them expressing their feelings. Adults can join in if they're invited. **There is no age limit to playing!**

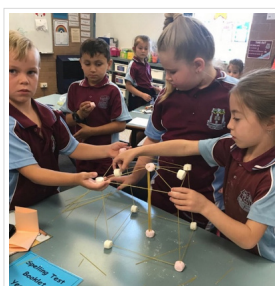

Developing children's social and emotional skills through play

- In play children are in charge of what they do. Being in control in play helps them to learn to manage their feelings.
- When children make or build things in their play, they are building skills and confidence in themselves.
- In play children learn about the give and take of relationships with their friends. They learn to lead and follow and to care for others.
- Play helps children to think about what they want to do, to plan and to be patient.

- Through play children learn how to mend mistakes and to feel better after things go wrong.
- Indoor and outdoor play helps to reduce children's stress.
- Play is a way children make sense of their world and practise for their future of being mummies, daddies and workers.
- Play is for imagination and creativity.
- In play you can enjoy magical worlds of joy.
- Play is something children can own in a world where most things are organised by adults.
- Play is a time when adults and children can have fun together.
- Play is for pleasure. You play what you enjoy and you stop when you want to.

How adults can support children's play

- By arranging safe places for children to play, indoors and outdoors, in parks and playgrounds.
- By arranging time for play and not scheduling too much in a child's day.
- By providing children with some playthings (eg dolls, building blocks, playdough, paints) and also allowing children to find their own playthings both inside and outside (eg fabrics, boxes, leaves, gumnuts and puddles).
- By reading and storytelling with children.
- By playing with children when invited and stopping when children want to play their own games.
- Babies communicate through their expressions and body movements whether they want you to play or when they are tired and have had enough.
- By following the child's lead and resisting the temptation to criticise, direct or turn play into a lesson.

Children learn and develop their social and emotional skills through playing on their own, with other children and with adults, and importantly, play helps children feel good about themselves.

If you need more information on children and their wellbeing please go to the Kids matter website.

Assistant Principal

P & C News

What a crazy wonderful couple of weeks it has been!

Firstly, thank you to Cambridge Gardens PS for our Thanksgiving Morning Tea. It was a lovely morning with lots of tasty treats and special thank you pressies. It was great to spend the morning with the teachers that we have worked so closely with and with other parents who all thoroughly enjoy doing our bit for our school. We value being able to be so involved in such a great school. Thank you.

Can I also give a special shout out to Miss Fry, Mrs Ptolemy, Mrs Antonelli and all the other teachers and staff that covered

classes, printed notes, chased costumes and our kids, and made Schools Spectacular possible. Personally speaking, this was my first year involved in Spec and I was absolutely blown away by the talent and quality of performances. It truly was a SPECTACULAR production. Nothing makes a parent prouder than seeing their child perform on such a stage. I can't thank you enough for giving our kids the opportunity to experience this. They will forever remember it. It was 'The Greatest'!

UNIFORM POOL

The P&C pre-loved uniform shop will be open on Thursday from 2.30pm in the P&C Store Room in C Block. We are encouraging all students to wear the school crest with pride and therefore only uniforms with logos are available. All uniforms with the old logo are \$2 apiece and all uniforms with the new colour logo are \$5 apiece. This uniform shop is made possible by P&C volunteers so please respect our prices, you are getting a bargain and giving back to the school. Payments can be made directly to our P&C ladies. If this time does not suit you, you may speak to the lovely office ladies and they will arrange to take you up to purchase.

CHRISTMAS GUESSING COMPETITION

Tickets will be going home VERY SOON! So, keep checking those school bags parents! The prize pool this year is bigger and better than it has ever been. Additional tickets are being bundled to take home. Please don't stop there though. We will make the tickets available to you online as well as in the office, so please sell them to as many people as you can. Friends, family, neighbours, even get Mum or Dad to take them to work. The more money raised the more resources and fun we can filter back to our kids. Tickets will be available all the way up to and including the night of the Christmas Picnic, Thursday 13th December. The competition will be drawn on this night so make sure you join us!

Buy lots of tickets for this one guys, you will want to be in it to win it!

AIRCON/FANS FOR THE HALL

We understand this has been a very long, drawn out and complicated process. Please note this has always been a priority for us and we have been working very hard all year with the school and Asset to make this happen. The end is in sight and we can almost feel that cool air blowing. If you would like to come along and see the proposed system in action, please join us at the General Meeting on Tuesday 27th November. A representative from Arius will be attending to demonstrate and answer any of your questions.

Lastly, I just wanted to thank the many volunteers that helped us achieve so much this year. It has been a very successful year and that is partly due to the amount of helping hands we've had. Thank you! A P&C is not possible without the parents. I would also like to personally thank Belinda Adams (*Secretary*), Kelly Wilkinson (*Treasurer*), Natalie Kitchin (*Vice President*), Jo Auld (*Vice President*) and Estelle Fisher (*Fundraising Coordinator*), for all your efforts this year. We have had a positively proactive and productive year and that is thanks to all your drive and determination behind the scenes. Thank you for

working with me. It really was an all-round team effort. A great year.

IMPORTANT DATE - November 27th is our AGM. All Executive positions will be vacated, and we will be calling for new nominations to fill these roles.

NOTICE OF MEETING

AGM followed by the General Meeting
Tuesday 27th November at 7.00pm in the Staff Room.

All parents, grandparents and carers are welcome.

HOW TO CONTACT US

- Send us an email to cambridgewardenspublicschool@pandcaffiliate.org.au
- Through the 'Cambridge Gardens Public School' official Facebook page
- Leave a message with the school office and we will contact you
- Drop a note into the P&C box (on the counter inside in the door to the school office)
- OR come along to a P&C meeting and HAVE YOUR SAY.

Sam Ivimey
President

SCHOOL BANKING

School banking will resume this Friday. Please be sure to deposit your bankbook into 'Pat' the banking dog before the 9.10am bell to line up for class. He will be sitting waiting out the front of the school library. Books will be accepted no later than 9.30am.
