Principal's Report

What a great two weeks we have had at Cambridge Gardens Public School!

Kindness

It is always important that we remember to be kind. As the year comes to a close, we have been reminding our students to treat each other with kindness. In doing this, we have been discussing what it feels like when others are kind to us, and what it feels like when we are kind to others. I would also encourage our community to remember to treat each other and the school with kindness, which includes interactions via phone or email. This ensures that we continue positive relationships between the school and our families in order to support the success of our students.

Superhero Theme Fundraiser

What an amazing superhero spectacular! We were blown

away and incredibly touched by the kindness and generosity on display. We were very thankful of the local businesses that donated to the day to ensure the success. We received donations from Krispy Kreme Penrith, Coles at Cambridge Gardens, Winmalee Quality Meats and Finer Things Deli and Butchery Blaxland. The community raised over \$2900 for the Adams-Bennett family who are very grateful to have the support of the school and community behind them. I couldn't be prouder of the efforts of our teachers particularly Mrs Patrick, Miss Vella and Mr Bale, for their hard work in organising the day. Events like this always remind us that the heart of the community starts at school.

P and C AGM

Unfortunately, the P and C will not be running their annual AGM tonight but will still be running their normal November meeting in the staffroom at 7pm. The details regarding the AGM will be sent out shortly.

Staffing

We wanted to inform you that there will be a temporary change in the teaching arrangements for Pompeii Class for a short period. Mrs Patrick will be taking leave commencing from **Thursday 9th November and will return on Tuesday 5th December.** During Mrs Patrick's absence, we are fortunate that Mrs Antonelli, one of our Assistant Principals, will be stepping in to teach the class. She will continue to supervise Kindergarten during this time.

Have a wonderful two weeks!

Kindergarten 2024 Enrolments

Kindergarten Students for 2024

This is a reminder that the orientation for all students beginning in Kindergarten 2024 will be held on Friday 17th November starting at 10:30. Parents and students are invited to attend. This session will be an insightful look into meeting and greeting various staff members, familiarising the students with various learning and play spaces within our school and allowing students and parents to meet the families of the Kindergarten 2024 cohort.

Looking forward to a successful and fun orientation.

Attendance Matters

NSW Department of Education

Why attendance matters

When your child misses school they miss important opportunities to...

Learn

Make friends

Build skills through fun

education.nsw.gov.au

Days missed = years lost

A day here and there doesn't seem like much, but...

When your child misses just...	they miss weeks per year	and years over their school life
1 day per fortnight	= 4 weeks	= Over 1 year missed
1 day per week	= 8 weeks	= Over 2.5 years missed

Compulsory school attendance

Information for parents

The Importance of arriving on time

Arriving at school and class on time:

- Ensures that students do not miss out on important learning activities scheduled early in the day
- Helps students learn the importance of punctuality and routine
- Give students time to greet their friends before class
- Reduces classroom disruption

Lateness is recorded as a partial absence and must be explained by parents.

What if my child has to be away from school?

On occasion, your child may need to be absent from school. Justified reasons for student absences may include:

- being sick, or having an infectious disease
- having an unavoidable medical appointment
- being required to attend a recognised religious holiday
- exceptional or urgent family circumstance (e.g. attending a funeral)

Kindergarten News

On Thursday 16th November from 9:30am, the Kindergarten classes will have their last Open Classroom for the year. All parents and various family members are invited to attend and assist their child with some Art and writing activities during this session. The support shown from all families with our Open Classrooms has been wonderful and your interaction and exposure to your child's education shows them that education is valued and supported.

Thank you Parents.

Gardening Club News

After the weeding, the planting and all the watering, we are finally eating our lovely fresh beans! Some children ate them raw and compared the taste of the yellow butter beans with the green beans. Others took them home to be cooked for dinner. Lots of fun!

Stage 1 Fun!

Last Tuesday 31st October, we had an absolute blast during our Stage 1 Open Classrooms. It was fantastic to witness so many smiling faces, including mums, dads, grandparents, aunties, uncles, friends and neighbours, all gathered to celebrate the incredible learning journey taking place in our Year 1 and Year 2 classes. The origami boats were a big hit and it was fantastic to see the children's (and parents!) enthusiasm and creativity shine. These open classrooms are such a wonderful opportunity for us to showcase the incredible progress and dedication of our students.

In addition to the exciting activities, we are committed to reinforcing our school expectations with our

students. We continue to emphasise the importance of being a safe, respectful, proud learner and the significance of keeping our hands, feet and mouths to ourselves. Kindness is at the heart of what we do and we strive to embody that every day. We encourage you to engage in conversations with your children about these expectations to reinforce our shared values and create a respectful and inclusive learning environment. Our joint effort helps us provide the best possible educational experience for our students.

We are looking forward to a fantastic couple of weeks in Stage 1!

Superhero Spectacular Fundraiser

Our recent Superhero Spectacular was a day filled with joy and unity and we couldn't be prouder of the generous spirit of those within our school community. The sight of everyone dressed up as their favourite superheroes was a true delight and our students' enthusiasm and creativity shone brightly! Your generosity was equally impressive as you selflessly donated towards the Adams-Bennett family in support of Thomas.

Our sausage sizzles and cakes were flying off the shelves and our talented face painters transformed our kids into mini superheroes, all contributing towards our fundraising efforts. Thanks to your unwavering support, we raised just under \$3000 for the Adams-Bennett family. Your contributions will go a long way in making a positive impact in their lives. We want to extend our heartfelt gratitude to every member of our community who played a part in this success. A special shout-out goes to our dedicated staff members who tirelessly offered their time and efforts to ensure the day's success.

We would also like to express our deepest thanks to some local businesses who generously contributed to our cause: Coles Cambridge Gardens, Krispy Kreme Penrith, Finer Meats Blaxland, Winmalee Butcher and J&T Bakery Cambridge Park. Your support made a significant difference and we are thankful for your partnership.

Together we have proven once again that our school community is a force for creating positive change. Thank you for being part of this incredible journey.

Official Opening of The Trinity Drive Reserve Playspace

On Tuesday 24th October the School Leaders and the School Representative students attended the official opening of the Trinity Drive Reserve, Junior and Mixed Recreation Playspace. In attendance at this formal ceremony were the Honourable Paul Scully, the Minister for Planning and Public Spaces, the Member for Penrith Karen McKeown OAM MP and various Council representatives and local community advocates of the park.

The students learnt that the advocate to initiate the building of the park was an ex-student of Cambridge Gardens Public School, Brock Jurd. Brock when in year 6 at our school, had a vision of a spectacular play space at the rear of our school which the whole community could utilise. With the help of his neighbour, Bob petitioned to the community and council to transform this community space into the wonderful play area that exists now for all Cambridge Gardens children and teenagers to utilise.

It was very touching after hearing Brock's story to witness him and Bob cut the ribbon and officially open the mixed recreation playspace. The students were encouraged by Karen McKeown to utilise their vision and voice in the future to help community projects come to fruition.

The Trinity Drive Reserve Playspace is a wonderful asset to the local community and will be utilised by many generations today and in the future.

Smiling Mind: Savouring

Another way to practise mindfulness is through the act of 'savouring'. There have been studies around the positive psychology of savouring experiences. By exercising our ability to 'savour', we can slow down and pay full attention to different experiences.

Here are some ways you can practise the act of 'savouring' at home:

1. Listen to the guided meditation "Exploring Tastes" on the free Smiling Mind App! The narrator will talk you through the exercise (you will need a small piece of chocolate).
2. Have a mindful meal or snack! Eat a meal or snack slowly and try to activate all 5 senses while doing so. Write down 5 things you noticed while eating mindfully.

VEGIE AND PEPITA MUFFINS

Serves: 12 Prep time: 15 mins

Cooking time: 25 mins

Ingredients

- 1 cup pumpkin, cut into 1cm dice
- 1 zucchini, grated & liquid squeezed out
- 3 spring onions, finely sliced
- 1 cup baby spinach leaves, chopped
- 2 eggs
- 1 cup reduced-fat milk
- ½ cup sunflower oil
- 1 cup wholemeal flour
- 1 cup plain flour
- 2 tsp baking powder
- 2 tbsp pumpkin seeds
- Salt & pepper

Method

- Step 1:** Preheat oven to 180°C. Line a muffin tray with muffin cases.
- Step 2:** Place pumpkin in a microwave-safe bowl, cover with water and cook in the microwave for 3 minutes or until slightly softened. Drain and mash.
- Step 3:** Add the zucchini, spring onions and spinach to the pumpkin and mix.
- Step 4:** Lightly beat together the eggs, milk and oil and pour over the vegetables. Season with a pinch of salt and pepper.
- Step 5:** Sift the flours and baking powder over the top and stir until just combined.
- Step 6:** Spoon the mixture into the muffin cases and sprinkle with pumpkin seeds. Bake for 25 minutes or until cooked through and golden.

A message from your Coordinator

Dear Parents and Guardians,

We hope you had a fantastic week, and we're excited to share some of the highlights from our service. It's been a fortnight filled with creativity, teamwork, and fun, and we're looking forward to what's coming next!

Last Week's Highlights:

- Paper Plate Pumpkins:** Our little artists had a blast creating their own pumpkins. Their imaginative designs and colourful decorations added a festive touch to our service.
- Halloween Pop-Up:** Our Halloween celebration was a spooky success! Kids made cards with paper, enjoyed some not-so-scary stories, and had a delightful time.
- Iron-On Beads:** It was all about precision and patience as kids placed beads on the Iron-On Pegboard one by one, showcasing their fine motor skills.
- Choco Chip Cookie Delight:** The delicious aroma of freshly baked Choco-chip cookies filled our centre as the kids tried their hand at baking. They not only prepared these mouthwatering treats but also relished every bite.

Coming Up Next Week:
Theme: Magnetic Tiles

Next week, we're diving into a world of imagination and teamwork with our theme - "Magnetic Tiles". This open-ended construction activity will encourage kids to work together, communicate, and bring their wildest architectural dreams to life. They will be challenged to create structures, including the thrilling Marble Run maze, requiring both verbal and non-verbal communication for success.

Outdoor Activities

In addition to our construction theme, we'll continue to promote outdoor activities. Your kids will have the opportunity to engage in healthy competition with soccer and volleyball games.

Art and Craft

Kids will make pop-stick pencil holders, snake paper chains and masks.

Your Feedback Matters: Please share your thoughts, suggestions, and questions with us. Thank you for your continued support!

Warm regards,
Mairaj & OSHC Team

Cambridge Gardens Public School upgrade Project update | October 2023

Investing in our schools

As part of the NSW Government's plan to rebuild essential services, the 2023-24 Budget is delivering a record \$3.5 billion for new and upgraded schools in Western Sydney. This targeted investment in growing communities will ensure working families get access to a world class public education.

The 2023-24 Budget committed funding to progress with an upgrade to Cambridge Gardens Public School.

Cambridge Gardens Public School upgrade

These funds will help Cambridge Gardens Public School by delivering new and upgraded facilities, including upgraded playground surfacing, a basketball court and student restroom facilities.

The selection of surfacing will depend on the individual site and its needs. All new playground surfacing will comply with current Australian Standards.

Early planning has begun.

How can I get involved?

We are committed to working together with our school communities and stakeholders to deliver the best learning facilities for students. As the project progresses from the planning phase, we will share details with the community for feedback.

A dedicated project page has been published on the School Infrastructure NSW website, which is updated as the project progresses. You can also contact us via our community information line and email using the details below.

Want to know more about how we build and upgrade schools?
