## Principal's Report

Happy Education Week to everyone!

We celebrate 175 years of Public Education in NSW this year and are proud of our work at Cambridge Gardens Public School in contributing to the success of the Public Education system!

As part of our celebration of Education Week, we scheduled our Open Classroom visits over the week to give our students and teachers the opportunity to share student achievement and activities with parents and carers. It has been wonderful to have our Stage 2, Stage 3 and Kindergarten parents come along and visit our classrooms and we look forward to welcoming our Stage 1 parents tomorrow. It was special for our Stage 2 classes to have the Premier, Mr Chris Minns, the Minister for Education, Ms Prue Car and our local MP, Ms Karen McKeown visit Class Babylon, meeting students, parents and staff as part of our Open Classrooms. It was

also very exciting to celebrate 100 years of Kindergarten with our Kindergarten students and parents as part of their Open Classrooms. How fantastic did our students look in their "100 Days Shirts!" Thanks to Mrs Antonelli for organising these and to Mrs Robina Banger for her amazing artistic work in creating them.

What an amazing day last Friday was with the school having the privilege of having, the Premier, Mr Chris Minns, the Deputy Premier and Minister for education, Prue Car and the MP for Penrith Karen McKeown come to visit. Our school leaders, Claire, Henry, Sailosi and Ammaleah were amazing in their leadership of the event guiding our visitors around the school. A huge congratulations to Miss Barbagallo, Miss Kinnish and Class Babylon for hosting our visitors. It was great to have our visitors interacting with our students, parents and our classroom activities. Best news for us, was the announcement of the upgrade of the basketball courts and toilets at our school. Great news and we look forward to these facility upgrades occurring.

A huge congratulations to our amazing, Miss Alanna Vella who received a Community Service Award yesterday at the Community Cabinet meeting at the Q theatre. It was such an honour to have Miss Vella's excellence recognised by the community and her service to our school and the teaching profession recognised.

What a great day we had at our Athletics Carnival last week. What a beautiful day and as always so proud of the fun, supportive way our students participate and perform throughout these events. What a job, Mrs Nelson did in organising such a successful event! Thanks to everyone for an excellent day and also for dealing so well with the buses not arriving on time. Keep the date for our K-2 Carnival on Wednesday September 13.

We look forward to another amazingly awesome two weeks here at Cambridge Gardens Public School.

## Nationally Consistent Collection of Data on School Students with Disability (NCCD)

Every year, all schools in Australia participate in the Nationally Consistent Collection of Data on School Students with Disability (NCCD). The NCCD process requires schools to identify information already available in the school about supports provided to students with disability. These relate to legislative requirements under the *Disability Discrimination Act 1992* and the Disability Standards for Education 2005, in line with the *NCCD guidelines* (2019).

Information provided about students to the Australian Government for the NCCD includes:

- Year of schooling
- Category of disability: physical, cognitive, sensory or social/emotional
- Level of adjustment provided: support provided within quality differentiated teaching practice, supplementary, substantial or extensive.

This information assists schools to:

- Formally recognise the supports and adjustments provided to students with disability in schools
- Consider how they can strengthen the support of students with disability in schools
- Develop shared practices so that they can review their learning programs in order to improve educational outcomes for students with disability.
- The NCCD provides state and federal governments with the information they need to plan more broadly for the support of students with disability.

The NCCD will have no direct impact on your child and your child will not be involved in any testing process. The school will provide data to the Australian Government in such a way that no individual student will be able to be identified – the privacy and confidentiality of all students is ensured. All information is protected by privacy laws that regulate the collection, storage and disclosure of personal information.

To find out more about these matters, please refer to the [Australian Government's Privacy Policy](#)

Further information about the NCCD can be found on the [NCCD Portal](#)

If you have any questions about the NCCD, please contact Mr Attard.

Kind regards,

**Daniel Attard**

## Kindergarten News

How fantastic was our 100 days of Kindergarten Celebration on Monday 31<sup>st</sup> July!!

Kindergarten teachers, students and parents all engaged in a combination of various activities based around the theme of 100 days. Students all looked very smart in their **Happy 100 Days of School** shirts which were very kindly designed and created by Mrs Robbie Banger. A big Thank you to Robbie for all her time and effort in designing and making the shirts.

Kindergarten students really enjoyed having family members in their classroom to share this great milestone with them. It is this family support and school community connection that helps develop a life-long love of learning and continued interest in education.

## Stage 3 Open Classrooms

Thank you to our wonderful parents and carers who joined us on Monday 31st July for our Stage 3 open classrooms. It was a fantastic opportunity to share our learning with parents and carers, particularly around reading. We had fun showing off our classrooms, our work, and demonstrating our love of reading through various activities and even some performances. Thank you to all who attended and joined in the fun! We hope you enjoyed the afternoon, and shopping at the Book Fair, as much as we did!

Zone Carnival will be held on Wednesday 16<sup>th</sup> August, 2023 at Blair Oval in St Marys.

Looking forward to seeing our students in action once again,

## 8-12 year Athletics Carnival

What awesome athletic ability we saw at the carnival last Tuesday! I really enjoyed seeing so many students try their hardest! The atmosphere was fabulous, making the day so enjoyable for staff and students.

We were blown away by how many little legs managed to run 1500m and still be smiling at the end. The smiles, laughter and encouragement amongst our students made the day a truly bright and happy experience. The weather really was shining down on us and we managed to get wonderful results for our nominations for Zone Carnival. Special mention to our amazing relay athletes, you gave it your all and gave us some of the tightest finishes of the day.

A big thank you to all the teachers and parents who helped out on the day. Special thanks to Mrs Rau, Mr Kristof and Mr Sargeant for helping to set up and pack up the carnival. Nominations for Zone carnival are being finalised and successful entrants will be notified ASAP. The ribbons and medallions pertaining to places and age champions from the school carnival will be distributed at the Week 10 Principal's assembly.

## Forensic Science Incursion

On Monday in Week 2, we held the Forensic Science Incursion for Years 4-6 students in the library. It was a fun and entertaining experience for all the students who participated as they looked for evidence to solve the case of a missing student at a fairground.

During the incursion, students utilised a variety of forensic science techniques and instruments such as digital-microscopes, ultraviolet light detection, fingerprinting, scatology and animal track identification. Some students got to dress up in forensics overalls and police vests and all students worked in groups to find clues and to solve the mystery, which culminated in the rescuing of the missing student at the fairground.

All students had a great time and it was a thoroughly exciting event that provided lots of hands-on learning experiences!

## Stage 3 Camp 2023

Our Bathurst Camp is fast approaching. A parent information zoom meeting will be held on Monday 4<sup>th</sup> September allowing families plenty of time to get organised for camp. Further information will be provided over the coming weeks.

We are looking to finalise payments and documentation within the next few weeks. Just a reminder that the final camp payment of **\$105 is due on Tuesday 15<sup>th</sup> August, 2023.**

Should you have any further questions, please contact Mrs Nelson.

## Choir Concert

Choir is going to a performance at the Joan Sutherland Centre 7pm, Tuesday 8<sup>th</sup> August. We are practising hard, learning the actions and the words without looking.

One of our students is doing a solo of Callum Scott's song "No Matter What." We are really pleased with everyone's effort and looking forward to the good feeling that we will feel after the concert when all our hard work will have paid off.

Keep Singing

### Nutrition Snippet

#### BLUEBERRY PIKELETS

Serves: 6    Prep time: 5 mins    Cooking time: 15 mins

##### Ingredients

1 cup self-raising flour  
2 tablespoons caster sugar  
2/3 cup reduced-fat milk  
1 egg  
3/4 cup frozen blueberries  
Olive oil spray

##### Method

**Step 1:** Add the flour and sugar to a large bowl. In a jug, whisk the milk and egg to combine.

**Step 2:** Slowly add the egg mixture into the flour and whisk until well combined. Gently fold through the blueberries.

**Step 3:** Spray a large non-stick frypan with olive oil and heat over medium heat. Scoop a tablespoon of the mix into the pan, cooking up to four at a time. Cook for 1 minute or until bubbles appear on the surface and pikelets are golden underneath. Turn and cook for a further 1 minute or until golden.

**Step 4:** Transfer to a plate and cover with foil. Repeat with remaining batter, spraying the pan between each batch.
