Contacting Home Readers: Working Bee

Classes: Space, Symmetry, Helix and Apex

Dear Parents and Caregivers,

Our school has recently purchased new home reader resources for our students in Year 2 and class Apex. Our home readers require contacting prior to being used by students. We have had many offers of help so far and would like to thank parents and members of the community for their assistance. We still have many books to contact before these valuable resources can be used.

We are holding a working bee next Wednesday the 22nd August 2018 at school for parents and community members who may be able to volunteer some time to help us complete the task of contacting home readers. There will be morning tea and lunch provided for our wonderful volunteers. Please RSVP by Monday 20th August 2018 so that we can organise resources for the working bee.

We would like to extend our appreciation and thanks to our parents and community. We value the time you volunteer in supporting our students for their learning.

Warm regards,

May Ptolemy
Instructional Leader

I will be able to assist in the Working Bee on Wednesday the 22nd August 2018.
