## READING EGGS 2018

Cambridge Gardens Public School will be continuing to utilise the Reading Eggs program in 2018. Reading Eggs is a learning resource that supports your child's reading journey with carefully designed online reading games and activities that are easy to follow, self-paced, and highly engaging for young children. It can be used by you and your child at home as well as by your child and their teacher at school.

By incorporating Reading Eggs into your child's daily routine, you will be helping to prepare them for the same structured learning they will need to succeed and feel confident at school.

- ✓ The lessons use colourful animation, fun characters, songs, and rewards to keep children motivated.
- ✓ The program is completely interactive to keep children on task both at school and at home.
- ✓ Parents can access detailed progress reports as well as hundreds of full-colour downloadable activity sheets that correspond with the lessons in the program.
- ✓ The program includes over 2000 online books for kids – each ending with a comprehension quiz that assesses your child's understanding.

**The cost of Reading Eggs is \$12 for the year.** The program allows students to access their account from anywhere and use different devices including tablets/iPads etc.

Mr Adam Sargeant  
Reading Eggs Coordinator
