2020 Customer Service 360 Reflection Tool

As you may be aware our school is participating in the Customer Service 360 Reflection Tool. This is a surveying tool which will help us to gather important feedback about our school.

We want to hear from all parents and community members. Participants will be asked to fill in a customer service survey which will be provided to them via your registered email address with the school. Responses will always be kept anonymous and completely confidential.

The surveys were sent out on Monday 24th August and close on Tuesday 7th September, 2020. There will be two reminders emailed encouraging participants to complete the survey.

If you have any questions regarding the survey please don't hesitate to contact Mr Attard on 02 4730 1201.
