Class: _____

Teaching and Learning Continuity Plan – Unit 4

Dear Parents and Caregivers,

28th April 2020

We hope you've had a restful break and have enjoyed spending some quality time with your immediate family. We are continually amazed by the efforts and work that our students are producing. The conversations, photos and videos from our students give us great joy during this extremely difficult time. We would like to thank you again for supporting and assisting your child with remote learning. Please also remember that you can only do your best and we will continue to work together to achieve the best result we can.

This continued partnership ensures that we are able to support our students through this remote learning process, which may continue for an extended period of time as Mr. Wynn mentioned in his newsletter address last term. As a result, we have continued compiling units of work with the Unit 4 Teaching and Learning package attached. We will continue to communicate to parents on a weekly basis using our school email system, Google Classroom, Facebook and the School Webpage.

A member of our school staff will be available for questions and feedback each day for all grades. Please be mindful that the school has only limited phone lines available to use, so please be fair and limit your questions to allow all parents access to this provision. Please ask to speak to one of our Assistant Principals. We would also like you to consider that we have a reduced number of staff on site and ask that you understand this when making contact.

Stage 3 Unit 4 Information

The Unit 4 booklet includes:

- A Weekly Learning Plan – this is effectively a timetable that outlines daily learning activities that would be completed throughout the course of a week.
- A Learning Environment Checklist that will enable you to set up the best possible environment for your child.
- Following these items will be each day's activities in order. There is space for your child to complete these activities in the booklet only.
- Under most daily activities will be a Success Criteria for your child to complete. This will also be the space for teacher recognition.
- At the end of each day, there is a reflection for students and a section for Parents/Caregiver's to sign stating they are happy with the amount of work completed.
- Stage 3 teachers have set two Mathletics learning tasks to be completed daily. Please don't feel restricted to only completing these set tasks if students would like to complete more activities. If you don't have the passwords for your child please respond to the school emails about Mathletics passwords.
- Google classroom contains the videos mentioned in the teaching and learning framework for students to view to help them with their learning.
- We have added a fast finishers table at the end of the booklet with extra activities for students who would like to engage in additional tasks.

Cambridge Gardens Public School

Innovation, Excellence, Connections & Fun

Weekly Learning Booklets are due on a Wednesday

At this stage we are anticipating that this form of learning may continue well into Term 2 and have made the following arrangements for Stage 3.

- For Term 2, Stage 3 booklets will continue to be due to either the front office, via email or Google Classroom on a **Wednesday** each week. This will also be the time that the following week's booklet will be uploaded on Google Classroom, collected and/or emailed home.
- **Unit 4 will be due on Week 2 Wednesday the 6th May.**
- Please ensure your child's name and class is on the front cover of the booklet.
- Each Stage will have their booklets collected and distributed on different days, as we wish to be as mindful of social distancing.
- If you are returning your work via email, the subject line must be **Mr Hunter** only. You must include your child's name and class in the body of the email. This will ensure that your child's work will be forwarded to the right teacher to provide recognition of work. The school's email address is cambridgeg-p.school@det.nsw.edu.au
- For returned student work via email, teacher recognition will be provided back via email.
- For returned student work via the front office, teacher recognition will be provided in a timely manner. This can be collected with the new weekly booklet.

Google Classroom

- Please note, booklets for Stage 3 will no longer be available on Google Classroom in an online form. They will be available as a PDF to complete and send back via email or hard copy if you wish. This is due to the high amount of work it takes to get it online, and the low uptake among students. Teachers will be instead using this time to create learning activities/videos, which will be placed on our Google Classrooms platform.
- A video has been placed on the school Facebook page and a 'how to' document has been included at the back of each student's Unit 4 booklet.
- Students will need a joining code, which is outlined below. Please only join the grade that your child is in. Any child joining the incorrect classroom will be deleted and need to rejoin the correct class. If you're having difficulty joining your class and cannot access the videos please contact the school for additional options such as dropping off a USB for us to copy the videos on.
- If parents have any questions please contact Mr. Wood or Mr. Hunter by phone or the school email. If you need your child's student portal login please email the school.

Joining Codes: Year 5 – tmyhy4u

Year 6 – tsiss3p

Please be aware that over the coming period, the type, style and delivery of work to students will develop and change. We would like to thank all of our fantastic students and families for their support, patience and kindness.

Wishing you all health and happiness.

Stage 3 Teachers

Mr. Hunter, Mr. Kristof, Miss Mulock and Mrs. Nelson

Learning environment checklist

In setting up this space the following should be considered:

- Is the area free of distraction?
- Is there excessive noise in the area?
- Are there trip hazards in the area?
- Is the area exposed to direct glare or reflections?
- Does the area have sufficient power points available?
- Is equipment (extension cords etc.) in good, safe, working condition?
- Is there a proper desk and chair and other necessary equipment (light, stationery and devices)?
- Is the chair adjusted correctly?
 - Feet should be flat on the floor and knees bent at right angles with thighs parallel to the floor.
 - The chair backrest should support the lower back and allow your child to sit upright.
 - The chair should move freely and not be restricted by hazards such as mats and power cords.
 - Chair arm rests should be removed or lowered when typing.
- Is the computer adjusted correctly?
 - The screen should be positioned directly in front of your child.
 - The screen should be at a distance where your child can see clearly and easily without straining. The top of the screen should be slightly lower than eye level.
 - The keyboard should be positioned at a distance where elbows are close to your child's body and their shoulders should be relaxed.
 - The mouse should be placed directly next to the keyboard.
- Are their most frequently used items within easy reach from a seated position?

	Wednesday	Thursday	Friday	Monday	Tuesday
Morning	<p>English</p> <p>Revise the _____. Complete spelling activity provided. Write 10 words that contain the specific sound focuses.</p> <p>Read the instructions and look at the pictures of the stimulus picture "Zoos-Cruel or Kind?". Create a persuasive writing piece. You will need to include a plan to help you organise your ideas. Remember to use the FEEL structure for your argument paragraphs (P – state what your point/reason is, E – explain in detail what that point is, E – give an example or evidence supporting your point, L – link back to what side you are taking). Your persuasive piece should be at least 1 half A4 page long, and include an introduction stating what side you are on and listing your arguments, one paragraph per argument, a conclusion summarising your arguments. Remember to</p>	<p>English</p> <p>Revise the grammar focus for the weak '_____'. Complete the grammar activity provided. Write 10 words in Thursday column of spelling list.</p> <p>Carefully read your persuasive piece of writing from yesterday. Edit your work by checking that you have included a P E E L for each argument paragraph, identify any part of the P E E L that you have missed.</p> <p>Circle or underline any high modality/persuasive <u>words</u> you have used. Can you change them to make them more persuasive (e.g. 'bad' could be changed to 'terrible', etc.) Can you add any more persuasive words? Write a published version of your persuasive writing piece, including all the changes that you have identified that you can make</p> <p>Brain Break – Try to do star jumps for 60 seconds</p>	<p>English</p> <p>Revise the sound focuses of the suffix '_____. Complete one spelling activity provided in the spelling activity grid. Write 10 words in Friday column of spelling list.</p> <p>Creative Writing – Write a letter to a famous performer of your choice. Try and convince this person to come and perform at the Cambridge Gardens Public School's 2020 Talent Show. Your letter should be at least a page long. Remember to include adjectives, complex vocabulary and persuasive language to convince them to come and perform.</p> <p>Brain Break – Try to do step-ups (stepping up and down onto a step or stair) for 60 seconds without stopping. Record how long you could do it for.</p> <p>Watch BTN classroom news for the week. Create a VIP summary for each section.</p>	<p>English</p> <p>Revisit the grammar focus for the weak '_____'. Write a paragraph of your own choice, including some words from your spelling list and your grammar focus for the week. Write 10 words in Monday column of spelling list.</p> <p>Free writing, write about anything that you like, it can be an information piece, poetry, song, story, persuasive writing piece, speech etc.</p> <p>Brain Break – Try to do up-and-down squats for 60 seconds without stopping. Record how long you could do it for.</p> <p>Watch one of Mrs Antonelli's Story Videos on Google Classroom. Create at least 5 surface level questions and 5 deep level questions about the section of the novel that you read today. Remember, surface level questions are</p>	<p>English</p> <p>Lock, cover, write, check your spelling list for the week. Get a family member to test you on 5 of your words, in sentences. Rewrite the sentence, and mark your work.</p> <p>ANZAC task- Open the link below and listen to the online story 'My Grandad Marches on ANZAC Day' https://www.youtube.com/watch?v=inRR2DjvuCo. Answer the comprehension questions.</p> <p>Brain Break – Try to do jogging on the spot for 60 seconds without stopping. Record how long you could do it for.</p> <p>ANZAC Interview: Create a list of questions to ask an older family member or family friend about ANZAC Day. Examples of questions could include: What does ANZAC Day mean to you? How to you commemorate</p>

	<p>use high modality, strong persuasive words.</p> <p>Brain Break – Try to do high knees for 60 seconds without stopping. Record how long you could do it for</p> <p>Read a novel of your choice for at least 20 minutes. Watch the video on Inference Equations on Google Classroom. Using the inference equation strategy (information from the text + your own prior knowledge = 'I can infer...') make at least 5 inferences from the part of the novel that you have just finished reading.</p>	<p>without stopping. Record how long you could do it for</p> <p>Continue reading the novel from where you finished yesterday. Read for at least 20 minutes. Create at least 5 'I Wonder' questions about the characters or events from the novel that you have just finished reading.</p> <p>View the library video from Mrs Antonelli – The Dog on the Tuckerbox.</p>	<p>with at least 3 dot points for each individual story.</p>	<p>questions that can be answered directly from information from the text e.g. 'What does Harry Potter wear on his face?' (glasses). Deep level questions are questions that have to be answered by giving an opinion or a 'because' response. They often start with 'why' or 'how' e.g. 'How do you think Harry Potter was feeling when he found out he was a wizard?'</p>	<p>on ANZAC DAY? Have you ever served in the Defence Force? Are there any of our family members who have served in the Defence Force? Why do you think it ANZAC Day is important? Write your interview questions and that person's responses in your booklet.</p>

Persuasive Writing Task

Caged or Free – Should animals be kept in zoos?

What do you think about this idea? Write to persuade a reader to agree with your point of view.

Think about:

- if you agree or disagree or if you can see both sides of the topic
- an introduction – clearly say what you think about the topic
- your opinions – give reasons or examples to explain them and be persuasive
- a conclusion – a summary of your main points and a final comment on your opinion

Remember to:

- plan your writing before you begin
- make your writing interesting to read
- write in sentences and stay on the topic
- check your spelling and punctuation
- use words that will persuade your reader
- start a new paragraph for each new idea
- check and edit your writing when you are finished

Bounce Back Task

Being negative

- Badmouthing others
- Complaining or moaning all the time
- Being in a bad mood a lot

Ego-tripping

- Talking constantly about themselves and how good they are
- Showing off or boasting
- Exaggerating or telling lies about themselves to look good

Being too serious all the time

- Having a scowl on their face and not smiling much
- Not having a sense of 'fun'

Staying too private

- Not telling others much about themselves and being 'reserved'
- Not saying what they think about something so you never know how they feel

Being selfish

- Trying to have things their own way all the time
- Not being prepared to do their share of the work or to help
- Being greedy (e.g. taking more than their share)

Being mean and nasty

- Criticising just about everyone and everything
- Talking about people behind their backs
- Saying mean or sarcastic things or using sly put-downs so you feel bad

Being argumentative and difficult

- Arguing about everything
- Starting fights and arguments over little things

Being bossy

- Trying to tell you what to do or how to do something even though they are not the boss
- Telling people that they've done something incorrectly

Being boring or inflexible

- Always wanting to do the same things the same way
- Going on and on and not getting to the point quickly enough
- Talking about things that no one is interested in much of the time
- Not being flexible when circumstances change

Being 'insecure' and under-confident

- Being too clingy and not being independent
- Not acting in a confident way

Write at least two paragraphs about behaviours that you personally feel are off putting and would make you less likely to be friends with someone.

Activity	Teacher Recognition
Completes Bounce Back task	

Thursday

Where are the Adverbs?

Words which tell us more about how, where, when, how often or how much something happens are called adverbs. Although these adverbs describe the verb, they do not always go next to it. Can you find the verbs and adverbs in these sentences?

1. A girl was humming the tune quietly.

2. They enjoyed the flowers' fragrance enormously.

3. The weather has gradually improved during the day.

4. The knight had courageously fought the fierce dragon.

5. Grudgingly, he offered his assistance to the old man.

6. She is finally meeting her pen pal from Australia.

7. The audience were loudly applauding the band.

The adverb 'not' is used to make a word, statement or question negative, so it has the opposite meaning. Make these sentences negative by adding 'not' in the correct place.

8. The supermodel has written her autobiography.

9. He is improving his fluency in the language.

10. We had noticed a discrepancy in the numbers.

11. I am working at the agency around the corner.

1. The obtuse angle of $a = \dots^\circ$

The measurement at A = \dots mm

- 1. 108, 96, 84, \dots
- 2. $30 \times 7 = \dots$
- 3. $0.7 \times 10 = \dots$
- 4. $\$5.00 - \$3.40 = \dots$
- 5. Write $\frac{1}{2}$ as a decimal.

- 6. 125, 100, \dots , 50, 25
- 7. $406 \div 10 = \dots$
- 8. $80 - 43 = \dots$
- 9. $14 \times 25 \times 4 = \dots$
- 10. The value at A is \dots

11. What is the speeding fine?

- 13–19 km/h \$200
- 20–29 km/h \$300
- 30–39 km/h \$400

12. $2\frac{1}{2}$ is closer to:

- 2
- 3

13. A quarter of 36 is:

- $\frac{1}{4}$
- $36 \div 4$
- $36 = 4$
- 36×4

- 14. $1087 - 100 = \dots$
- 15. $0.824 \times 100 = \dots$
- 16. $8.5 \times 2 = \dots$
- 17. $410 \div 70 = \dots$

18. What is the time?

19. Show as a 90° turn clockwise.

20. What season is July in?

21. 1 km = \dots m

22. The length of one side of this square is \dots cm.

23. Which is symmetrical?

24. Sunrise is during am pm time.

24. Which spinner is more likely to land on a sum of 7?

---------------------	--

WEEK 4

1. What is the time? _____

2. $0.7 \times 10 =$ _____

3. $800 + 300 =$ _____

4. $7 + 7 + 7 =$ _____

5. $4 \times 9 =$ _____

6.  - \$1.25 = _____

7. Write *one hundred and eleven thousand, one hundred and ten* as a numeral.

8. Is $9\frac{1}{2}$ closer to 9 or 10?

9. Rotate a $\frac{1}{2}$ turn clockwise.

10. $41 \div 5 =$ _____ r _____

11. $45 \times 25 \times 4 =$ _____

12. $\frac{1}{10} > \frac{1}{7}$ true false

13. $487 \div 100 =$ _____

14. $71 - 7 =$ _____

15. Numbers divisible by 8 include 40, 80, 120, 160 and 200. Which set is also divisible by 8?

240, 280, 320, 360

220, 240, 260, 280

240, 260, 300, 320

16. What season is January in? _____

17. This is a: rhombus

trapezium.

parallelogram.

18. $800\ 000 +$ _____ $= 890\ 780$

19. Write $\frac{1}{4}$ as a decimal. _____

20. $30 \times 40 =$ _____

1. Numbers divisible by 6 include 30, 60, 90, 120, 150, 180. Which set is also divisible by 6?

190, 200, 210, 220

210, 220, 240, 260

210, 240, 270, 300

2. How many weeks are in one year? _____

3. $4 \times 8 =$ _____

4. Halve 1930. _____

5. 10 000, 9750, _____ 9250

6. Write *one hundred thousand and eleven* as a numeral.

7. $\$10.00 - \$7.30 =$ _____

8. Rotate 90° clockwise.

9. $90 \times 9 =$ _____

10. $89 \times 9 =$ _____

11. $53 \div 5 =$ _____ r _____

12. How many \$20 banknotes make up \$1000?

13. Is $8\frac{1}{2}$ closer to 8 or 9?

14. $0.5\ \text{km} = 500\ \text{m}$

$0.6\ \text{km} =$ _____ m

15. This is a:

rhombus.

trapezium.

square.

16. $\frac{1}{7} > \frac{1}{8}$ true false

17. Draw the other 4 lines of symmetry.

18. $209 \div 10 =$ _____

19. $600 - 35 =$ _____

20. $60 \times 30 =$ _____

PROBLEM-SOLVING

FRIDAY REVIEW

Monday

1. What is the size of Angle a ?

.....°

2. What is the size of Angle b ?

.....°

Tuesday

1. Write the numbers 1, 2, 3 and 4 on the spinner.

- (a) 1 has a 1 in 4 chance.
 (b) 2 has a 25% chance.
 (c) 3 and 4 have the same chance.

2. Eva saved \$1200 and purchased a new guitar for \$980. Eva bought a new strap for a further \$55. What money has she leftover after her buying spree?

.....

Wednesday

1. What area do the flowers occupy? m²

2. The paving area cost \$40 per square metre. What is the total cost?

.....

Thursday

1. A non-stop fast train took 4 hours to cover 1000 km. What was the average speed?

..... km/h

2. On another trip the train travelled a distance of 720 km in 180 minutes. What is the average speed?

..... km/h

1 A fifth of 75 =

2 Write $\frac{1}{7}$ as a decimal.

3 $50 \times 9 = 450$

$49 \times 9 =$

4 The value of the ones for 9193×7 is

5 $413 \div 100 =$

6 Halve 1410.

7 $0.4 \times 10 =$

8 $700 - 250 =$

9 $\frac{1}{3} < \frac{1}{7}$ true false

10 How many \$20 notes make up \$900?

11 $\begin{matrix} \bullet & \bullet & \bullet & \bullet \\ \bullet & \bullet & \bullet & \bullet \\ \bullet & \bullet & \bullet & \bullet \end{matrix} + \begin{matrix} \bullet & \bullet \\ \bullet & \bullet \end{matrix}$

..... \times +
 =

12 $37 \div 5 =$ r

13 $30 \times 8 =$

14 $29 \times 8 =$

15 Write *ten thousand, one hundred and one* as a numeral.

16 odd + odd =

17 Write $\frac{3}{12}$ in its simplest form.

18 1 m = mm

19 1 l = mL

20 Rotate the shapes 180° .

21 What is the length of side a of this square?

22 This is a:

- rhombus.
 parallelogram.
 trapezium.

23 What is the time?

24 This is a:

- trapezium.
 rhombus.
 square.

25 The probability of landing on a vowel is

Fast Finisher Activities

Start a journal so you can reflect on this historical time.
There is a great free proforma available at littlejemmings.com.au

Record your own fitness video. It can be yoga, dance, boot camp, footy skills - whatever you like. Keep the video to share with us all!

Invent a board game!
You can physically build it or use technology to create it.
Remember to have easy to follow rules!

Help mum or dad to cook dinner. You could make sure you have the right ingredients and help with the preparation.

Choose a 2D shape and draw 10 of these on a blank piece of paper. Then turn the shapes into other images. For example, you could turn a triangle into a piece of pizza, an ice cream cone etc.

Complete a chore for your family. Record the steps you needed to follow to complete the chore and how long it took.

Tidy up your bedroom. Make sure everything is in the right place, make your bed, clean out any toys you don't play with, rearrange your wardrobe.

Hide a 'treasure' in your house - it could be a toy or even a pair of socks! Draw a treasure map with clues for someone to follow to find your treasure

Create your own "I spy" task. Draw lots of random small objects on a piece of paper and then list what needs to be found. There is an example below.

Complete a scavenger hunt. Remember to time yourself!
There's an example of one below!

Create your own scavenger hunt. It could be subject based, environmental or even technological. List 10 things to scavenge for!

Make a gratitude list. Each day of the week list at least one thing you are grateful for. For example: "I am thankful that I have a house to sleep in".

Scavenger Hunt

- Find a fork
- Find something that is red
- Find a tissue box
- Find 3 things that have wheels
- Find an orange crayon
- Find something that is very soft
- Find a band-aid
- Find a key
- Find 2 socks that match
- Find something round
- Find a sticker
- Find a rubber band
- Find a pair of glasses
- Find an envelope.
