Assemblies Term 1

Dear Parents,

On Friday we will have our first assembly for 2021. As restrictions remain the same as last year, we will continue using Zoom as our platform for assemblies until the Week 5 Principals Assembly. After Week 5, we will reassess restrictions and look at the model we will use for the remainder of the term.

The assemblies will commence at 9.30am on Friday. The link for the assemblies is:

Due to privacy requirements from the NSW Department of Education, we will not be showing any students that do not have permission to publish. These students will receive their awards in the second part of the assembly that parents will not be attending. This second part of the assembly will occur using a different link to ensure student privacy and security is maintained. The assembly item will also be done during this time due to these same privacy concerns. This will ensure that no student is excluded from performing with his or her class.

We thank you for your understanding and look forward to your participation in our assemblies. If you have any questions regarding any aspect of this process, please contact the school office to discuss this with Mr Wood.
