

Cambridge Gardens Public School

Innovation, Excellence, Connections & Fun

Dear Parents

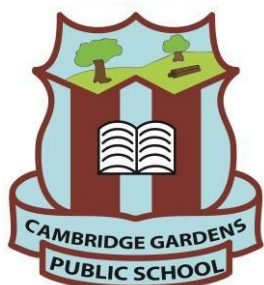

We have just received the following advice from the Department of Education.

"Parents must keep children - of all ages, across primary and secondary schooling and early childcare - home if they can. Students will be supported to learn from home. Schools and early childhood education and care services, including Out Of School Hours Care services are open for any child that needs it. Thank you for your support"

We have also been asked to further reduce our staff on site.

We know that many family's circumstances will have changed following the strengthening of the restrictions yesterday. The message is very clear. Thanks so much for working together as a community to keep all of us, students, staff and families safe and healthy.

Adam Wynn
