## Cambridge Gardens Public School Week 2 & 3 Update

Tuesday, February 2, 2021

Dear Parents/Carers,

We would like to keep you informed and give you an update with some procedures and events that are happening in Week 2 & 3.

### **Morning and Afternoon Procedures**

Our morning and afternoon procedures will continue as they have until Friday 12<sup>th</sup> of February. Students will continue to enter through the front gate from 8:40am and parents of K-2 students may enter the school and drop off their children at the "drop off zone" if necessary. In the afternoon, Stage 3 students with their siblings will exit from the Driveway Gate at 3:00pm while Stage 2 students will exit from the same gate (Driveway Gate) at 3:10pm. Stage 1 students will continue to exit from the carpark gate at 3:10pm. We appreciate your support with these procedures.

### **Class Structures**

Our class structures will continue as they have been as we are still confirming student enrolments. As you would be aware we have had a considerable drop in enrolment numbers due to the commencement of Jordan Springs in Term 3 last year. Once our Kindergarten cohort have commenced and school numbers are more accurate, we will communicate the set class structures for 2021.

### **Stage 3 Safer Internet Day Webinar**

The NSW Department of Education and the e-Safety Commissioner have worked together to educate and address current challenges and test students' ability to detect fake news. In the webinar, students will learn to identify trustworthy information about current issues, detect fake news and recognise the harm caused by false or misleading information online. All Stage 3 students will participate in the webinar on Tuesday February 9<sup>th</sup>.

### **NRL League Stars Program**

Cambridge Gardens Public School are fortunate enough to be involved in the NRL League Stars program. Every child in the school will have the opportunity to be involved in two free 30-minute introductory sessions on the 9<sup>th</sup> and 16<sup>th</sup> of February. During these sessions, our students will develop their confidence in fundamental movement skills, build physical, cognitive, social and emotional skills, have a blast of fun with their friends, all whilst learning the basics of rugby league.

## **School photos**

Our school photo day is fast approaching. On Monday, 15<sup>th</sup> February, MSP Photography will be at school to take our class and whole school photographs. Individual order forms will be sent home soon and parents are asked to make their payments online as per the instructions on these envelopes. A limited number of envelopes will be available at the front office if required. Please note that no payments can be accepted at the office.

We're looking forward to seeing everyone with their best smiles on that day.

## **Current COVID-19 Guidelines**

As you would be aware there have been some minor changes to the Covid-19 Guidelines. Please keep in mind most of the November 2020 guidelines are still in effect. It is wonderful to celebrate class birthdays but please continue to only supply commercially, individually wrapped items to share. All students are encouraged to bring their own drink bottle which can be refilled at school.

Mr Adam Wynn  
Principal

Mr Daniel Attard & Mrs Rose Antonelli  
Assistant Principal
