Innovation, Excellence, Connections & Fun

CROSS COUNTRY

Good morning, Parents and Carers

As a school we have had to make decisions taking into account the state of our courses and our availability of staff as well as the upcoming weather conditions.

We will endeavour to complete our cross country selection trials on paved areas within the school over the next couple of days. Today we will have students who have entered, walk through the course. Tomorrow, if the weather is good, we will endeavour to run these trials when we can and as quickly as possible.

Given the limited access to the paved areas, our limited staff to manage spectators and our uncertainty over timing, we will not be having spectators for this event.

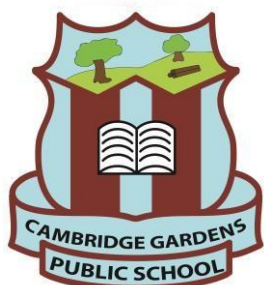

Thanks for your understanding with this.

Please ensure your children if competing wear their fastest footwear over the coming days.

Adam Wynn

Principal
