SCHOOL OPERATIONS FOR THE REMAINDER OF WEEK 7

Dear Parents and Carers

We hope this note finds your household safe and dry. The rain continues to persist but we have been advised that it will continue to ease overnight therefore our school will be operational tomorrow.

As advised earlier, **our school will have limited staff and will be providing minimal supervision, tomorrow, Wednesday March 9.**

Many of our staff will still be isolated by floodwaters and will be unable to be onsite tomorrow.

Minimal supervision means that students who attend school, will be supervised by an available teacher in an appropriate group. It is highly likely that students will not be with their own class teacher or in their own class group. It is anticipated that student numbers will be low tomorrow.

As student numbers are expected to be low tomorrow, all students will be dismissed at 3.10pm through GATE A. Older students will collect younger siblings prior to 3.10pm.

Our canteen will be closed tomorrow.

Camp Australia and Rainbow Cottage will be operating tomorrow.

If students are at home tomorrow, they can complete the second day in the digital learning package and bring any completed work into their class teacher on Thursday.

FRIDAY

School Photos- Please come to school dressed your best, looking smart and sharp. **Students are requested to wear our school uniform, the blue shirt and maroon shorts or the tunic.** Children are not required or expected to have or wear their sport shirt (maroon shirt) on Friday. Please send your photo envelope in if you haven't already. All children's photos are taken on the day, so if you have lost your envelope, you can follow up after Friday and still organize payment and photos.

I can't praise our school staff enough for their hard work and commitment to student learning and our school throughout this period. A fantastic shout out to Mrs Lovett, Mrs Latter and even Mrs Hetherington for their great effort in keeping our front office going. Well done and thanks to Mr Wood, who is my delegate on site and a big thank you to him and Mr Bale for braving the conditions this morning and heading up to school to ensure no student was onsite at school this morning.

Thanks for our parents, carers and community for your resilience and support! Lets cross our fingers and hope for some blue sky as soon as possible.

Have a great end of the week!
