

Cambridge Gardens Public School

Innovation, Excellence, Connections & Fun

2nd March 2022

General Voluntary Contributions

Our school is so fortunate for the support it receives from our school community.

This year, we ask that all families contribute to our school through the General Voluntary Contribution.

In 2022 the contribution has been set at \$50.00 per student.

The provision of this resource allows the school to provide necessary resources to our students and reduces the need to have to fund raise allowing our staff to focus on student learning. The 2022 contributions will go towards further enhancements to student access to technology. We thank you for your outstanding support and quick response to this.

Please return to the front office.

Student Name _____ Class _____
