## Parent Curriculum Workshops Term 2

Dear Parents and Caregivers,

Cambridge Gardens Public School is a community in which teachers and parents work together for the learning needs of our students. We have recently had a shift in education and a focus on fundamental learning strategies with the implementation of new K-2 English and Mathematics curriculum in 2023. As a result, we would like to provide parents with the opportunity to participate in Stage based workshops for K-2. The aim of these workshops will be to inform parents of some of the strategies we are implementing at our school and give some practical ideas parents can implement at home with their children. The focus will be early reading and number skills.

Each stage workshop will run from 12.30pm for approximately 45 minutes. There will be 15 minutes at the conclusion of the workshop for parents to have some light refreshments. Then have a chat with our teachers and other parents as open classrooms for each stage will follow directly after at 1.30pm. The workshops will be held in the library. We would appreciate if students and younger siblings do not attend the workshops. Please indicate below if you will be attending so we can cater for the correct number of parents.

### The workshops:

Stage 1 Workshop – Monday 8<sup>th</sup> May 2023

Kindergarten Workshop - Wednesday 24<sup>th</sup> May 2023

We look forward to seeing you at one or more of our workshops over the coming weeks.
