8th February 2023

Drop Off and Dismissal times for Kindergarten 2023

Dear Parents and Caregivers,

What a great start to the year we have had with the 2023 Kindergarten students. We are looking forward to continuing the school year with enthusiasm, fun and lots of learning.

This note is to inform you of the drop off and pick up times for the rest of the year.

Morning Drop Off

From Monday 13th of February, we ask that you adhere to the normal school start time of 9.10am. All school Students will arrive through Gate A. Gate A will be open from 8:40am and supervision will be provided in Area 1 for the Kindergarten to Year 2 students during this time. Area 1 is the area outside Mrs Stoeckl's classroom. No child is permitted at school prior to 8.40am due to non supervision. Parents or siblings are welcome to drop their students off at Area 1 between the time of 8:40am to 9:10am where the student will sit and wait for the 9:10 school bell to enter their classroom. This can be a long time for the young ones and drop off closer to the school start time may be more suitable. If you feel your child is becoming quite independent, you can allow them to walk to Area 1 from Gate A with their sibling or on their own. Parents who wish to wait with their child are to wait at the Cola in front of the library quietly and walk their child over to Area 1 with a quick drop off and exit for the start of the school day.

Afternoon Pick Up

Afternoon pick up will continue as in the previous week. Gate B will be open around 3:05 and parents are welcome to enter the school grounds and meet their children under the Cola in front of the library. If your child has a sibling in an older grade, they will be collected 5 minutes prior to the sibling's departure time and exit with their sibling at their siblings assigned gate.

If you have any questions or issues around drop off and pick up please do not hesitate to notify the school.

Regards

Rose Antonelli
