Innovation, Excellence, Connections & Fun

READING EGGS 2023 SCHOOL AND HOME PROGRAM

Cambridge Gardens Public School will be continuing to utilise the Reading Eggs program in 2023. Reading Eggs is a learning resource that supports your child's reading journey with carefully designed online reading games and activities that are easy to follow, self-paced, and highly engaging for children. **It can be used by you and your child at home as well as by your child and their teacher at school.**

By incorporating Reading Eggs into your child's daily routine, you will be helping to prepare them for the same structured learning they will need to succeed and feel confident at school.

- ✓ The lessons use colourful animation, fun characters, songs, and rewards to keep children motivated.
- ✓ The program is completely interactive to keep children on task both at school and at home.
- ✓ Parents can access detailed progress reports as well as hundreds of full-colour downloadable activity sheets that correspond with the lessons in the program.
- ✓ The program includes over 2000 online books for kids – each ending with a comprehension quiz that assesses your child's understanding.

This year, the cost of Reading Eggs will be \$20. **The program allows students to access their account from anywhere and use different devices including tablets/iPads etc.** Payment can be made online via the school website "Make a Payment" tab.

Mrs Ruth Rau
Reading Eggs Coordinator

Mr Adam Wynn
Principal

All payment slips and permission notes to the front office.
