

## Code of Behaviour – Stage 3 Excursion to Bathurst 2023

Dear Parents and Caregivers,

As you are aware, the Stage 3 Excursion is coming up in Term 4. This is a very exciting event for the students attending and will be a highlight of the year. The students have been learning about the colonisation of Australia, the history of gold in our nation and how the first settlers lived when coming to Australia. Students will visit many historical places and participate in activities which will complement their learning. Therefore, it is necessary that student behaviour is of a high standard which is consistent with our school expectations of: Being Safe, Being Proud, Being Respectful and Being a Learner.

Over the coming weeks, students attending the excursion will be required to agree to and sign the Code of Behaviour which clearly states our expectations regarding behaviour both before and during the excursion. The Code of Behaviour has been designed to be consistent with the Department of Education and Cambridge Gardens Public School Discipline Policies and Procedures. The aim is to ensure that all students understand and are meeting the guidelines of expected behaviour. It is essential that all students follow these expectations to ensure the enjoyment and safety of our students and staff as well as ensuring the great reputation of our school is maintained in the wider community.

The excursion is a special opportunity for students to enjoy and it is important that teachers accompanying Stage 3 to Bathurst are confident that the students attending will demonstrate expected behaviour before and during the excursion.

We ask that you discuss these expectations with your child and sign indicating that both you and your child have knowledge of the school's expectations.
