*Innovation, Excellence, Connections & Fun*

## Welcome to Class Aristotle

Dear Parents/Caregivers,

My name is Mrs Hayley Alo and I am the classroom teacher of Class Aristotle in 2024 on Monday, Tuesday and Thursday. I have been teaching at Cambridge Gardens Public School since 2016 and have truly loved being a part of the community we have developed.

I am passionate about creating a supportive space in our class for your child to learn and grow as individuals. I particularly enjoy teaching English and Visual Art, and I look forward to learning where each of my students' passion lies. Although I'm returning to school part-time this year, I am so excited about being your child's classroom teacher and I am committed to achieving all of our learning goals.

I am a mum to James (Almost 4) and Amelia (15 months), and three cuddly cavoodles - Cino, Rocco and Coco. I'm happily married to my husband of almost 10 years. I enjoy spending time with my family, swimming in the pool and making memories together.

My name is Mrs Wendy Wright and I am the classroom teacher for Class Aristotle in 2024 on Wednesday and Friday. I have been teaching at Cambridge Gardens Public School since 2014. My favourite subjects to teach are mathematics and science. I am looking forward to teaching and learning with your children.

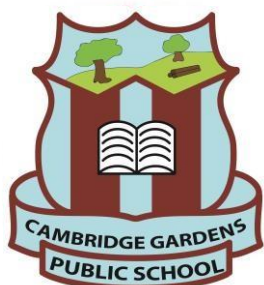

I am happily married, and I have three teenage boys who make my life fun and interesting. In my spare time I like to walk the river, go on holidays, and spend time with family and friends.

In 2024, our classes have been named after famous mathematicians. Aristotle contributed to the study of geometry in the areas of symmetry, continuity and order, all of which will be explored within our mathematics program.

We invite you to respond to this letter to let us know a little more about your child and how we can best support them to have a fantastic year! Alternatively, please feel free to contact us with any questions or concerns via the school phone number or email address.

Kind regards,  
Hayley Alo and Wendy Wright
