

Cambridge Gardens Public School

Innovation, Excellence, Connections & Fun

CLASS BERNOULLI INFORMATION

Welcome to an exhilarating new academic year at Cambridge Gardens Public School! I am thrilled to be your child's teacher in Class Bernoulli. I'm Mr Burke and have been classroom teacher at Cambridge Gardens Public School for the past 3 years. Our class objective is to foster a safe, respectful, and enthusiastic learning environment, ensuring a delightful educational journey.

This year, our school has embraced a theme of naming classes after distinguished mathematicians. Our class will be Class Bernoulli, a Year 5 class. Daniel Bernoulli was a Swiss mathematician and physicist and was one of the many prominent mathematicians in the Bernoulli family from Basel. He is particularly remembered for his applications of mathematics to mechanics, especially fluid mechanics, and for his pioneering work in probability and statistics. Drawing inspiration from his achievements, we aim to set and pursue challenging personal learning goals, constantly expanding our knowledge across all subjects.

Classrooms can be bustling, demanding punctuality, preparedness, and the right tools for learning. Labeling personal belongings ensures they aren't lost. We are committed to consistently producing work of which we can be proud. Your child's workbooks will be sent home soon; kindly cover them with the provided paper book cover and return them promptly for daily use. We are hoping that Bernoulli class, can be the first to return all books covered.

To facilitate our journey, a variety of engaging learning activities are planned. I am eager to witness the progress each student in Class Bernoulli will make across all learning areas this year. It's crucial that your child starts each day well-rested and nourished, so please ensure they get a good night's sleep, have breakfast, a fruit break, water, and a healthy lunch.

I extend a warm welcome to Class Bernoulli and eagerly anticipate a fantastic year of learning and fun with all of you! Should you have any questions or concerns, feel free to contact the school office to arrange a chat or phone call.

Warmest regards,

Mr Matthew Burke
