

# Cambridge Gardens Public School

*Innovation, Excellence, Connections & Fun*

## CLASS DEDEKIND INFORMATION

Welcome to another exciting year at Cambridge Gardens Public School.

This year, our class names are based on mathematicians. We are named after Julius Dedekind, a German mathematician who worked on abstract algebra, number theory and laid the foundations for the concept of the real numbers.

I am pleased to say that this year, your child will be in Class Dedekind with me, Mr. Dearie! Together we will work towards our personal learning goals and achieving our learning intentions across all subject areas, that will make us, our families, and our school proud. Class Dedekind is a composite Year 5/6 class and will be in the demountable located at the bottom of Area 2.

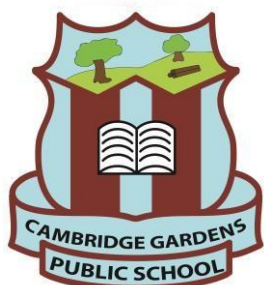

In our class, we will aim to be safe, respectful and proud learners at all times, and most importantly, we will aim to make learning fun. In Class Dedekind we will have many opportunities to achieve and demonstrate these values through our everyday learning activities. I look forward to seeing the progress that each of the students in Class Dedekind makes throughout the year.

Please ensure children have a good night's sleep, breakfast and a healthy lunch each day to help them maximise their learning. Please also ensure that any personal belongings your child brings to school, such as hats, toys, sporting equipment etc., are clearly labelled so that they are not lost or misplaced.

Kind regards,

**Mr. Jeremy Dearie**
