

Cambridge Gardens Public School

Innovation, Excellence, Connections & Fun

Welcome to Class Callippus

Dear Parents/Caregivers,

My name is Miss Tahleya Cook and I am the classroom teacher for Class Callippus. Although I am a new face at Cambridge Gardens Public School, I have been teaching for just over a year. I am looking forward to 2024 with Class Callippus!

I am the eldest of three children, with a younger sister and a younger brother. I graduated from Western Sydney University with a Masters in Teaching, majoring in English. I have three dogs, which your children will hear lots about throughout the year. During my spare time, I enjoy taking my dogs for walks and finding new shows to watch on Netflix.

Our classes this year have been named after famous Mathematicians. Callippus was a Greek astronomer and mathematician. He was known for studying space to determine the lengths of each season and the length of the year. During the year we will be learning about Callippus and his accomplishments as a class.

I am super excited to be working with your children this year and look forward to meeting you.

Feel free to contact me via the school phone number or email address with any questions or concerns you may have.

Kind regards,

Tahleya Cook
