

Cambridge Gardens Public School

Innovation, Excellence, Connections & Fun

Welcome to Class Spencer!

Hi, my name is Noelle Stoeckl.

I have been teaching for over twenty-five years and have worked in a variety of roles, settings, and schools. I have even taught in London! Which was before I had children. Working in the UK was full of many exciting and amazing experiences. I recall how nervous I was when the Year Two classes I worked with went on an excursion to the city zoo. There was no chartered bus, we all caught the tube! Sixty kids on the London underground. A little scary, but all went well.

I live in the Lower Blue Mountains with my husband, two children and dog. My eldest daughter completed year 12 last year and my younger daughter is starting Year 11. I am still surprised at how quickly they are growing up. It seems like it was last year that they were starting school.

I was born in New Zealand and moved to the Eastern Suburbs when I was nine. I went to primary school in Bondi-where else does a Kiwi go to school?! However, I have lived all over the place since moving to Sydney. My affinity with moving is still with me as this is the first year I have stayed in the same classroom at Cambridge Gardens Public School!

I have been part of Cambridge Gardens Public School staff since 2013. I have taken on various roles throughout this time, such as classroom teacher, learning support teacher, RFF teacher and Librarian. I have taught students from Kindergarten to Year Four at our school. I am excited to be teaching Kindergarten again this year with class Spencer. Class names this year are based on Mathematicians. I have chosen Adam Spencer, who is both a mathematician and a comedian, because I aspire to make maths engaging and fun in class Spencer. I am looking forward to a fabulous year with our newest school members.

Please feel free to contact me with any questions or concerns via the school phone number or email address.

Kind regards,

Noelle Stoeckl
