*Innovation, Excellence, Connections & Fun*

## Welcome to Class Devi

Hello and a warm welcome to all of you!

We're incredibly excited to start this school year and can't wait to get to know each and every one of your children in Class Devi.

Our school has embraced a unique and inspiring theme this year: celebrating the wonders of mathematics through the lives of famous mathematicians. It's a delightful way to connect our learning to real-life heroes of the math world! We are "Class Devi," named after the remarkable Shakuntala Devi, affectionately known as the "Human Computer" because of her ability to swiftly solve lengthy calculations in her head. She also earned her a place in The Guinness Book of World Records for "Fastest Human Computation."

We are excited to work together to create a learning environment that is nurturing, kind, and enjoyable for every student. We aim to make our classroom a place where care and fun go hand in hand.

Mrs Williams – Mon, Tues, Wed, Fri

I have been a teacher at Cambridge Gardens for 14 years but have been teaching for a while longer. I am a mum to two, almost adult, daughters and love travelling. Our dog Alfie is also a very much-loved member of the family.

Mrs Day - Thurs

This is my 2nd year teaching at Cambridge Gardens, but fun fact: I attended this school as a child! Outside the classroom, I'm a proud mum to two wonderful boys who keep me on my toes and fill my life with joy. We share our home with a dachshund named Sizzle, and yes, I must admit, I am quite dachshund obsessed! Sizzle brings a lot of fun and laughter to our family.

Looking ahead, we are excited about the year in front of us. We anticipate a year full of learning, discovery, and meaningful connections. We value open communication and collaboration with parents and encourage you to reach out with any questions, concerns, or insights you may have throughout the year. Together, we can make this a fantastic year for our students.

Kind Regards,  
Mrs Williams and Mrs Day
