Innovation, Excellence, Connections & Fun

Dear Parents and Carers,

We are pleased to inform you that on Monday 16th June, we have organised a member of the NSW Police to deliver a Cyberbullying Awareness Presentation to our Stage 3 students.

This important session will provide students with valuable information about staying safe online, understanding the impact of cyberbullying, and how to respond appropriately if they or someone they know is affected.

The presentation is part of our ongoing commitment to supporting students' wellbeing and promoting safe and respectful behaviour both online and offline. If you have any questions or would like more information, please feel free to contact the school. If you do not wish for your child to attend this presentation, please advise our office.

Thank you for your continued support.
