If your child successfully gains a place in the Sydney West Cross Country Team, you will be required to purchase a Zone shirt or singlet (depending on what your child would prefer to compete in) for \$40.

Athletes are asked to stay in their school area when not competing. When your child completes their race, they will be assisted by officials to the finishing area before returning to their school area. Please ensure spectators, teachers and athletes who are not competing remain off the field and track. There will be a first aid area set up near the track should any athlete require it. Once athletes have completed their event, they will be directed back to the school area.

**Important Information:** In the event of injury, no personal injury insurance cover is provided by the NSW Department of Education for students in relation to school sporting activities, physical education lessons or any other school activity. The Department's Public Liability cover is fault-based and limited to breaches by the department of its duty of care to students that may result in claims for compensation.

Parents and Caregivers are advised to assess the level and extent of their child's involvement in the sport program offered by the school, school sport zone, region and state school sport

associations when deciding whether additional insurance cover is required prior to their child's involvement in the program. Personal accident insurance cover is available through normal retail insurance outlets. Parents who have private ambulance cover need to check whether that cover extends to interstate travel and make additional arrangements as considered appropriate.

The NSW Supplementary Sporting Injury Benefits Scheme, funded by the NSW Government, provides limited cover for serious injury resulting in the permanent loss of a prescribed faculty or the use of some prescribed part of the body. The Supplementary Scheme does not cover medical expenses or dental costs. Further information can be obtained from [www.sportinginjuries.com.au](http://www.sportinginjuries.com.au) Further information regarding student accident insurance and private health cover is provided at:
